Dear Dave,

Hope this email finds you well.

First, please forward our appreciation to the Deputy Regional Administrator for agreeing to be a keynote speaker at the upcoming Passaic River Symposium on 10/19. Attached please find a copy of the Symposium program. The following are topics at the Symposium:

1. Science Informing Policy: Environmental Management of the Passaic River Watershed .

Integrated approaches and strategies to remediation, restoration and economic re- vitalization .  
Applications of regional sediment management for a sustainable future

2. Chemical assessment of lower Passaic River sediment
3. Innovative sediment restoration
4. Impacts of the urban setting on aquatic and wetland conditions
5. Living with the Passaic; present challenges and future opportunities
6. Remedial investigation and removal
7. Water resource challenges in the greater Passaic Watershed
8. Natural resource management and river restoration
9. Community-based environmental initiatives: fostering cooperation through education

Please ask the Deputy Regional Administrator to prepare a keynote address for 10-12 minutes. The keynotes will be seated at a reserved table in front of the stage. The Deputy Regional Administrator will be introduced by Dean Robert Prezant. Ms. Shivaun Gaines will contact you shortly regarding access to a reserved parking area.

Please do not hesitate to contact me if we can provide you with additional information.

Thank you  
Meiyin
